

Dangote Cement Plc

ANNUAL REPORT AND ACCOUNTS

2024

The background is a dark blue abstract composition. It features large, interlocking gears of various sizes. Overlaid on these is a complex network of glowing blue and yellow nodes connected by thin lines, resembling a digital or neural network. A silhouette of a human head in profile, facing right, is visible on the right side, with the network of nodes appearing to be inside or connected to it. There are also some smaller icons, like a robotic arm and a factory, scattered throughout the design.
